

CANBERRA RABBIT CLUB INC.

The Canberra Rabbit Club Inc. (CRCI) was incorporated in July 1996. The idea behind the club was to create a friendly informal avenue for people with an interest in rabbits, both breeders and pet owners alike, to further their knowledge of rabbits and to provide them with the opportunity to show their rabbits on a regular basis.

Currently, the CRC has five rabbit shows a year with categories to cover all breeds of pedigree rabbits judged according to the British Rabbit Council Standards. There is also a special pet section included with each show with categories such as Best Pet Rabbit, Most Talented Rabbit, Unrung Fur, Fancy or Rex, Best Fancy Dress, Prettiest Doe, Cutest Baby and many others. These are fun and enjoyed by people and bunnies of all ages!

The benefits of being a member of the CRCI include:
